

Bespoke Catering Services

Weddings

Weddings are a personal thing and we are all different. Whether it's a formal sit-down dinner, a hot food item like bowls of chilli or curry along with other buffet items, all buffet or a BBQ, we can cater for your wedding leaving you to relax and enjoy your day.

We will work with you or your wedding planner to provide a menu that is bespoke to you.

Drop us a line or give us a call to discuss what you want for your special day.
